

We are \$34 Trillion in debt and yet Democrats want to spend vast amounts more so they can fool us into electing them

*The following is from the **Democrat National Platform (2020)** (democrats.org/where-we-stand) [including page and paragraph]*

Democrats aver that the US. is a systemic racist country and they will forge a new social contract to **equalize income and wealth** (p.6, ¶ 1)

Democrats will continue spending tax dollars to **expand public sector employment** (p.12, ¶ 2)

Democrats will **ban right to work laws** (p.15, ¶ 6)

Democrats will ensure all workers **12 weeks of paid family leave** (p.17, ¶ 3)

Democrats will **pay for childcare** for low and middle-income families (p.67, ¶ 2)

Will **pay for long-term care** for seniors (p.17, ¶ 4)

Will use **tax money for** more **public housing projects** (p.25, ¶ 2)

Will establish a national **tenants right to organize** (p.23, ¶ 1)

Will **raise corporate taxes and also estate taxes** (p.23, ¶ 5)

Will make **Social Security** more progressive, **increasing benefits** (p.27, ¶ 1)

Will **reject** attempts to **raise Social Security retirement age** (p.27, ¶ 2)

Older **workers** will be **eligible for Medicare at 60** not 65 (p.29, ¶ 4)

Will eliminate the cap on government **subsidies for Obamacare** (p.30, ¶ 5)

Will **end the AIDS epidemic** which **discriminates against people of color** (p.33, ¶ 1)

Force insurance companies to pay for gender transitions (p.34, ¶ 2)

Will ensure **criminals can sue law enforcement** by eliminating the doctrine of qualified immunity (p.38, ¶ 2)

Dems support **abolishing the death penalty (except for “tiny” children)** (p.39, ¶ 3)

Dems **support reparations to Blacks to counter the effects of slavery** (p.41, ¶ 3)

Will use the power of the federal government to **coerce private companies to recruit and advance anyone except white males .** (p.42, ¶ 5)

Dems will **abolish laws such as voter ID** (p.56, ¶ 5)

Dems will **hold gun manufacturers responsible for criminal use of guns and open to civil liability** (p.49, ¶ 1)

Fight against cleaning up voter rolls (p.56, ¶ 4)

Condemn President Trump's deploying federal **agents who brutally attacked peaceful protesters (who were only looting, burning and killing)** (p.59, ¶ 2)

Unequivocally want **statehood for Washington D.C.** (p.60, ¶ 1)

Design programs to reduce violence, insecurity, poverty, corruption, lack of education and economic opportunity and impact of climate change to mitigate migration crises from Southeast Asia to Africa to Central America (p.65, ¶ 4)

Force **women's sports teams** to allow **transgender students to participate** (p.43, ¶ 4)

Discontinue use of standardized tests to assess learning for a more holistic measures (p.69, ¶ 5)

Make public colleges, universities, and trade schools free (p.70, ¶ 3&5)

Forgive all student debt for anyone earning less than a hundred and twenty five thousand dollars (p.71, ¶ 4)

Dems will **divert military dollars to diplomacy** (p.78, ¶ 2)

Expand climate-related **foreign aid through the Green Climate Fund** (p.80, ¶ 7)

Not only are all these proposals expensive but they're unconstitutional
Voters need to be informed about their Constitutional government.

The 10th Amendment is critical to that understanding?
